

Bubble Membership - Join Now!

Play Whatever the Weather in our "Bubble"

Tennis, played in the sunshine is ideal; but we live in England and sunshine is often in short supply, especially during the winter. We are pleased to offer 6 months membership between **OCTOBER 2011 to MARCH 2012** of the Bubble, which is floodlit and allows us to play tennis during the winter months, whatever the weather, on three indoor courts. There are a further 4 outside courts, 2 of which are floodlit that can be used as well.

Membership Benefits

- 3 indoor floodlit courts (4 outside courts, 2 of which are floodlit)
- Online court booking with priority given to members - no additional charges
- Access to club sessions: Tuesday club night, Sunday club morning, ladies doubles Friday morning, Veterans sessions Monday, Wednesday and Friday afternoons
- Competitive tennis in singles box leagues and the opportunity to represent the club in local winter doubles leagues
- Indoor coaching sessions which are not weather dependent!

Membership Type	Bubble
